ANNUAL FUNDRAISER

LINEN NIGHTS

A SOIREE IN BUCKHEAD

WELCOME

Welcome to The New Tenth Foundation's "Linen Nights: A Soiree in Buckhead" Fundraising Event. We are thrilled to have you here with us as we work towards providing transformative experiences for our students through international travel.

Our students represent the future and beauty that the world needs. They carry a legacy of those who came before them. Those who persevered through incredible hardships to provide them with opportunities for success. Through focus, hard work, dedication, patience, and persistence, our students have earned their blessings and are on the path toward fulfilling their potential.

We are grateful for your support in fulfilling our mission to enlighten and educate the minds and hearts of our young boys and girls, building their skills and quickness of mind and instilling in them the belief that they can achieve anything they set their minds to.

At The New Tenth Foundation, we take our responsibility to "Change the World, One Life at a Time". We invite you to join us on this journey.

Thank you for being a part of our journey.

SPECIAL THANKS

The New Tenth Foundation's Linen Nights Fundraiser would not be possible without the generosity of our sponsors, supporters, contributors, and volunteers and for this we express our deepest and sincere THANKS!!

Your support is making it possible for us to provide an international experience that our kids can't get in the classroom in which we know will leave a lasting impression on their lives forever.

Working together, we will enrich, educate, and enlighten our students and get ahead of some of the real societal issues that continue to plague them and our families today.

Thank You so Much for Making a Difference-
The New Tenth Foundation Family
